

# Planning the Future of Mount Vernon Cancer Services

Following feedback from more than 70 workshops, we are setting up patient and public groups to help us plan the future of Mount Vernon Cancer Services

If you would like to join a group or find out more, scan the QR code or visit [www.mvccreview.nhs.uk](http://www.mvccreview.nhs.uk)

How Care Is Organised	
Radiotherapy	Networked radiotherapy model options.
Care Closer to Home	What aspects of care could take place closer to your home?
Patient Records	key priorities for improvements in record management
Buildings	
Layout and Design	Designing the layout of key areas of the Cancer Centre
Experience	
Disabled Access & Experience	Shape the planning of new facilities.
Learning Disabilities	How best to involve them and hear their stories?
Information & Support	What support and information patients find most helpful
Transport and Access	Identify solutions & practical suggestions to improve access to services
Outcomes and Access	
Luton Cancer Outcomes	How changes can support local work to improve cancer access and outcomes in Luton
East Berkshire Access	How changes can support local work to improve cancer access and outcomes in Slough and East Berkshire
North Central London Access	How changes can support local work to improve cancer access and outcomes in Barnet, Camden, Enfield, Haringey and Islington

First Meetings in  
April & May 2021
